

Best in the World

DRINK CULTURE 2021

Shortlist Best in the World

There are finalists from 98 countries and regions in the list below.

The ranking of the Best in the World 2021 will be announced at the awards event in Paris on June 5, 2021. In the shortlist below, countries are in alphabetical order, with four countries per category.

We treat all Top 4 in the same way. They already have the right to the Best in the World certificates and self adhesive stickers. They can use their Gourmand Award to promote their work with the media and readers.
